“For the second straight year, the Hightowers have earned a Platinum with another stately expression of Cabernet Sauvignon. Their use of Petit Verdot and Malbec adds up to a red with wonderful red and black fruit, notes of cedar, menthol and orange zest. Fine-grained tannins are beautifully resolved already, making for a wonderful mouthfeel that often is revealed in wines from Red Mountain.”

- WinePress NW Platinum Tasting, Dec 2020

As much as possible, we take a non-interventionist approach to winemaking. We place great emphasis on vineyard selection, picking, pressing, and blending so that Hightower wines are naturally beautiful and free from pretense. We let the powerful and concentrated fruit from Red Mountain speak for itself. The result is a collection of well-balanced, nuanced wines that reveal something new and interesting each time you open a bottle. We like to think they're wines with character through and through — in how they were made, how they taste, and in the connections they inspire.

We produced 387 cases.
